LETTER TO SUPERVISOR GLENN DAWSON

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Mr. Dawson:

As we have previously discussed, the United States Patent and Trademark Office has improperly changed the power of attorney for the above-identified U.S. Patent Application. We have been attempting for some time to have this mistake by the USPTO corrected. However, we have yet to receive notice from the USPTO that the power of attorney has been corrected, nor has the PTO sent us a copy of the outstanding Office Action. As the final deadline for responding to the Office Action is January 27, 2005, we respectfully request that the power of attorney be corrected to that as originally filed, that we be provided with a formal copy of the Office Action, and that all dates related to responding to the Office Action be reset. This will enable us to properly respond to the Office Action on behalf of Applicant Stevens.
